

ABOUT THE COURSE

The staff of small hospitals face big challenges from rising patient expectations, expanding regulatory requirements and the rapid pace of change in healthcare. On-the-job training and experience may not be sufficient for them to meet these challenges.

The Christian Medical College Vellore (CMC) has joined hands with the Christian Medical Association of India (CMAI) to introduce a blended learning programme designed for employees of mission hospitals: **Diploma in Hospital Administration**.

The course will help them acquire the knowledge and skills needed to become efficient managers and leaders while continuing to serve their institutions. It will help them to integrate theoretical and scientific frameworks with their own experience to implement best practices in their hospitals. Moreover, it will help them to develop the confidence and ability to deal with a range of management issues.

Christian Medical College Vellore
In collaboration with
Christian Medical Association of India,
New Delhi

6th Batch
Course Begins from
1st July 2024

AIM

OBJECTIVES

The course aims to improve the management of mission hospitals in India through the enhancement of skills, knowledge and abilities of employees and administrators.

- To provide a recognized and respected qualification in hospital administration for staff working in mission hospitals.
- To provide fundamental theoretical background for best practices in the healthcare field.
- To cover all practical aspects of administration associated with the running of a small hospital.

ELIGIBILITY

- This programme is especially meant for mission hospital staff willing to acquire knowledge and develop their career.
- All candidates must be sponsored by an employer/hospital.
- All candidates must have a minimum hospital experience of 5 years.
- Basic qualifications: Diploma / any accredited bachelor's or postgraduate degree.

TEACHING METHODOLOGY

- Guided self-study using printed and electronic materials are provided.
- It is mandatory to attend two weeks of contact classes which will be held in CMC Vellore during the month of February / March 2025 for 2 weeks between 8:00 am to 5:00 pm (8 hours).
- During contact classes, visits to various departments and hospitals for observation and to foster understanding of problems related to hospitals of different sizes and natures.
- Eight subjects will be handled through classroom teaching during the CMC contact classes.
